

INSTRUCTIONS D'INSTALLATION DES GRILLES GRATTE-PIEDS

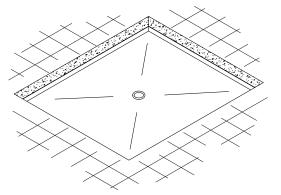

DIRECTIONS FOR FOOT GRILLES INSTALLATION

1. Préparer et nettoyer l'ouverture Prepare and clean the opening

2. Installer le bassin. (Lorsque requis)

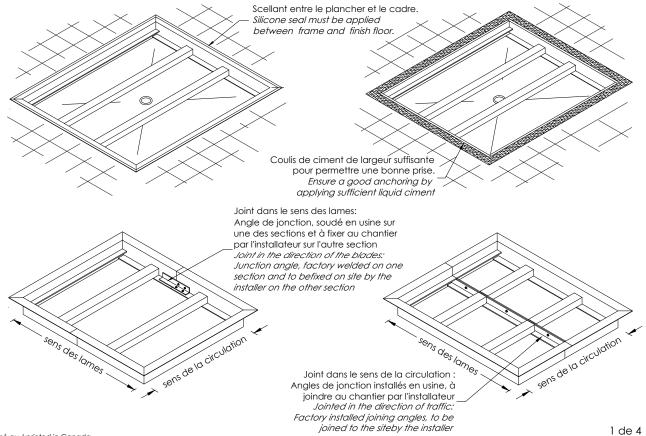

Install the pan. (If applicable)

3. Installer le cadre de périmètre à l'équerre et au niveau. Frame must be levelled.

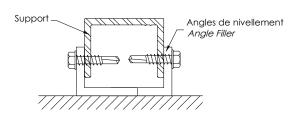

Cadre à ancrage - Anchor type frame

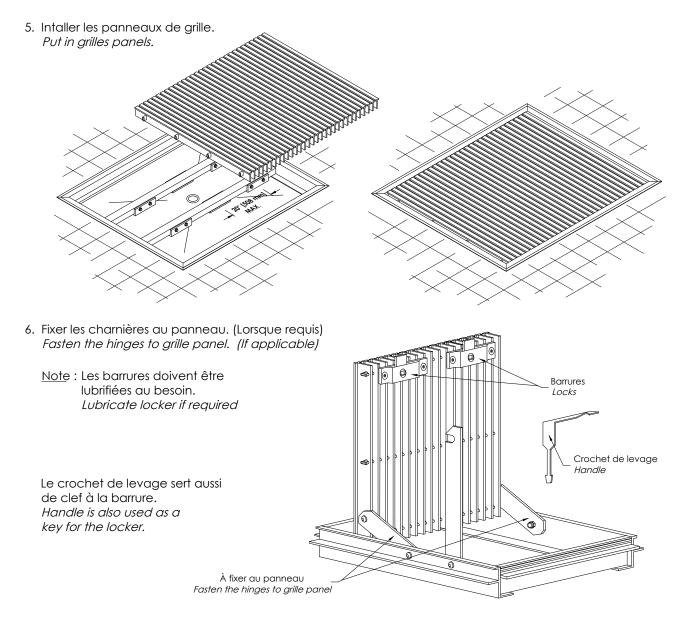

4. IMPORTANT: Installation des angles de nivellement - Angle filler installation

Les supports doivent être appuyés au sol grâce aux angles de nivellement. Ces angles doivent être positionnés aux 20" (508 mm) centre à centre maximum, en quinconce et être fixés à l'aide des vis auto-perçantes

Intermediary supports must be levelled and flushed with floor. Angles levellers may be used, as shown.

Note importante: Une mauvaise installation de la grille entraînera une annulation

de la garantie du manufacturier.

Important Note: Inadequate grille installation will void the manufacturer

guarantee.
